We entered the high school as the first freshman class. We received leadership from President Ryan Willett, Vice-President Lisa Magnacca, Treasurer Shauna Nacewicz, and Secretary Beth Skelly. "A little bit" of enthusiasm was revived with the bonfire and pep rally before the traditional Thanksgiving Day game. Our class was entertained with "a little bit" of music by the Top 40 and Vaudeville performers. Sophomore year saw the return of our freshman officers. Junior year a little changed with the election of President Jason Rossi, Vice-President Brian Colby, Secretary Deanna Knodler, and Treasurer Shauna Nacewicz.

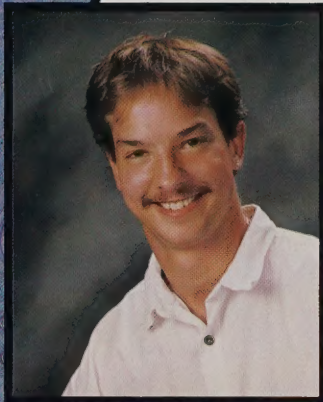

Highlights of that year included our Toga Party and Picnic at Perry Lane Park with "a bit" of guidance from our new principal, Mr. Furtado. Our spirits soared as the girls basketball team became MIAA State Finalists. "The Winds of Change" blew us into our senior year. We kicked off our senior year with a little excitement at our Kid Party followed by the semi-formal. Everything was "Wonderful Tonight" at our prom. Our excitement at the senior picnic and breakfast was tempered with "a little bit" of sadness. As we look back on our high school years we'll remember all the fun, memories, and "a little bit of everything".

When your building a sandcastle every grain is crucial. While you build the castle you only think of the joy & fun your having. When you've completed, every tide occurs, the waves destroy the castle that took hard work and time to build. As the sun rises a new day begins with a child building a new castle.

Well I Finally made it. I leave all the parties & good times to Trisha I leave Summer School. To Jen, Maria & Sean I leave Hampton Beach to Scott & Phil Snow-mobiling. To Kevin, its Dirtbiking in the Park. To Eric its volleyball at your house with the Crew. Thanks Mom & Dad. Good luck C.O. 95

SHAUNA NACEWICZ**

Stop blaming others. Take responsibility for every area of your life.

Judge your success by the degree your enjoying peace, health and love.

Accept Pain and Disappointment as part of life.

Loosen up. Relax. Except for rare life-and-death matters nothing is as important as it first seems.

SEE problems as opportunities for growth and self-mastery.

Be a leader: Inspire others to follow you.

Never give up on anybody. Miracles happen every day.

Don't use words carelessly. Neither can be retrieved.

A Little Bit of Advice.

Live your life so that your epitaph could read "No Regrets."

Attitude is everything.

Smile a lot. It costs nothing and is beyond price.

Be the most positive and enthusiastic person you know.

Evaluate yourself by your own standards not someone else's.

Learn to listen. Opportunity sometimes knocks very softly.

BE Willing to lose a battle in order to win the war.

Never give up what you really want to do. The person with big dreams is more powerful than one with all the facts.

Commit yourself to constant self-improvement.

Special thanks to H. Jackson Jr.

As Editor-in-Chief, I dedicate this book to all the people who have been a special part of my life. I love you all.

MY PARENTS

Mom and Dad, Thank you for all your love and support. You've always stood behind me in everything I've done (well maybe not EVERYTHING!)

MY BROTHERS

Ben, I'm lucky to have a brother like you. You've been my best buddy ever since I can remember.

Jeff and Greg, Before you guys were born, it never even crossed my mind that I'd have two more brothers. But now you're here and I can't imagine what my life would be like without you guys.

MY FAMILY

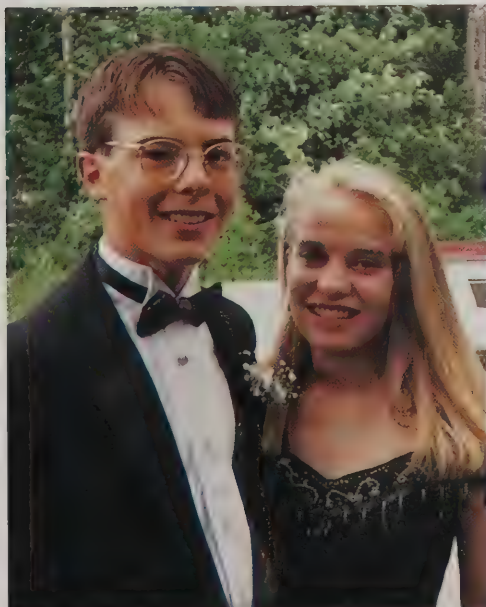

I can't possibly mention all of my relatives. There's just so many of you and I wouldn't want it any other way. I have the best family (immediate and extended) anyone could ever ask for.

Bob, Over the past four years, we've become so close, been through so much, and have shared so many memories together. I will never forget you or the times we've shared.

Randy, You were there for me at a time in my life when I really needed someone. Thank you so much for all the happiness and wonderful times we've had. Together, we have so much to look forward to.

MY FRIENDS

Rails, we have so much fun together. I can always count on you to make me laugh.

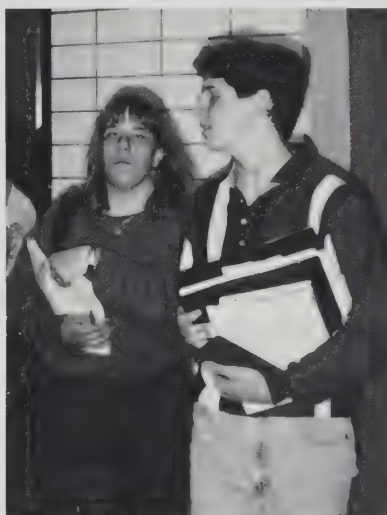

Christina, you are the best friend anyone could ever ask for. I will always be here for you.

The Class of 1995, Here we are, in our senior year, our last year together as one class. It all went by so fast. I wish you all the best of luck in college and in life after. I hope you like your yearbook.

Where would our school be without the incredible leadership of our administration?

Mr. Ryder, with the help of Mr. Charest, is extremely busy with the positive progression of Agawam. Examples, such as the revamping of the school's curriculum and lengthening of the school day and year, give us *a little bit* of insight into the projects that they are putting such effort into.

Our principal, Mr. Furtado, is also quite busy between traveling to and from Cape Cod, leading an entire division of the Massachusetts Guard, and completing his first full academic year at Agawam High School. He has helped to initiate parking lot and hall patrols and student involvement in government. Of course, he could not have accomplished these tasks without the help of Ms. Charest and Mr. Bates. In summary, Mr. Furtado stresses that the creation of a decent budget and the adoption of a cooperative atmosphere utilizing student and faculty input have remained some of his top priorities throughout this year.

Ask any senior what the hardest part of their final year is, and they will all probably give you the same answer, college applications. The Guidance Department is key in the preparation of applications, recommendations, and interviews. However, their help is not limited to the seniors. They are available to all students for help in school, scheduling, or personal counseling.

And no, class ranks aren't ready yet!

SECRETARIES

The secretaries are at the center of a whirlwind of activity at AHS. They somehow manage to compile the announcements, answer the constantly ringing phones, maintain school records, type up the late list, schedule appointments, and even try to fix the copy machines, among many other things. Their hard work helps to keep the whole school running smoothly.

Not everyone learns in the same way or at the same rate. The Special Education Department staff use their skills to help students learn *a little* more, *a little* better, and *a little* faster. These teachers make sure that all students at AHS have an equal chance to shine.

SCIENCE

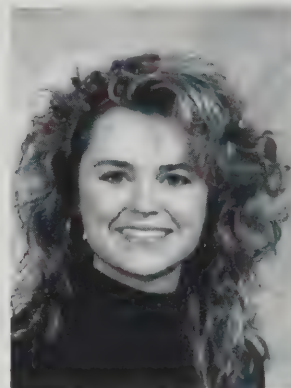

Why is the sky blue? How big is the universe? How loud was the big bang? Whether it's Physical Science, Biology, Physics, Chemistry, Astronomy, Horticulture, or Health, the Science Department is sure to deliver. However, not all of science is completely serious. When the staff was asked what the funniest lab accident was, one member responded, "Mr. Fahey had a shocking experience when a Van de Graff generator, which produces sparks of 200,000 volts, struck his stomach!"

Egyptians and Babylonians did it. So did the Greeks and Arabs. And because of the Math Department, we too can explore *a little bit* of the vast world of mathematics. The teachers are constantly striving to help us to understand Algebra, Geometry, Trigonometry, and even Calculus. However, numbers are not the only things to occupy this staff's time. Mr. Bikowski is involved in the Top 40 shows. It is the response he has received from the students that he will never forget. "I was playing in the show and everyone in the audience was chanting my name. It was the most exciting feeling that I've ever had at AHS!"

LANGUAGE

Lisa Alves

Mary Ellen Bruce

Mary Jean Dromey

The key to tomorrow's world is better communication. With the guidance of the staff of the Foreign Language Department we are able to further our communication skills. There is an opportunity to learn a variety of languages, including Spanish, French, Italian, and Latin.

Attempting to learn a new language always opens up the chance for mistakes, but few are as wild as one that Miss Alves encountered. "I was reading a very sad composition from a student who was relating the grim tale of the last few days of her pet lizard's life . . . I burst out laughing because she wrote 'and I ate my poor lizard' — She meant I fed my poor lizard."

Brace yourself for a trip back in time with the History Department. Our dedicated teachers work hard to help us to understand our past, our present situation, and where we could be in the future. The staff also takes pains to explain how what we have learned can be used to achieve our goals. But wait, there's more! *A little bit* of Psychology, Government, and Philosophy are also taught. Mrs. Litchfield was asked, "Do you find anything about the history you teach boring?" She sighed and replied, "the spinning-jenny will always put me to sleep!"

The English Department staff at AHS teaches the skills that are needed to read and understand novels, poetry, and short stories. They also help us to improve the writing skills necessary for everyday communication. English also includes Journalism and Theatre. The journalism class produces the school's newspaper, the Mirror, while the theatre class entertains us all with both their comical and serious productions. When asked what novel was the worst to ever be given to an English class, one member of the department exclaimed, "Whatever book is currently assigned!"

Does a bookkeeper collect books? No way! What does an accountant actually count? Thanks to the efforts of the teachers of the Business Department, students are well-prepared in subjects such as accounting, bookkeeping, typing, stenography, and layout design. These skills allow students to accomplish everything from balancing a checkbook to typing a resume.

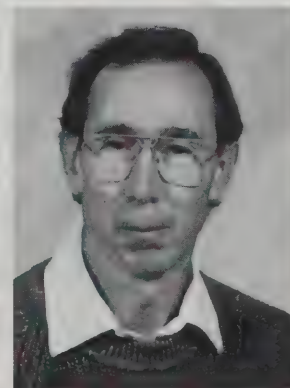

Ever search through an entire encyclopedia in less than a minute? Race in the Indy 500? Play chess with someone in China? Computers are now enabling us to take part in these activities and many more. With the instruction of the Computer Staff, Agawam students are learning how to run the machines that make these activities possible.

MUSIC AND ART

Scott Thomson

Each year, Agawam High School produces a number of musical variety shows such as the Top 40, the Winter Concert, Broadway Review, and Vaudeville. These shows are only made possible by the intense direction of the Music Department. And don't forget all the work and preparation that goes into organizing band trips! The fun, however, does not simply come from the shows and trips. Mr. Thomson remembered an embarrassing yet funny occurrence. "I remember showing up to a performance late because of an emergency door switch that was stuck. The bus wouldn't start! Even a push from another bus to get it moving didn't do the trick!"

Geraldine Ann Schilling-Nordal

The Art Department gives us an opportunity to use our imaginations through painting, drawing, pottery, and more. Many of the creative projects produced by the students, with the guidance of the staff, are on display throughout the school. Ms. Schilling-Nordal, one of our longest serving teachers, was asked what her most memorable experience has been at AHS. She replied, "I was walking down the hallway when suddenly both feet were swept out from under me by the slippery floor. Luckily, as I fell backwards, Mr. Sheehan was there to catch me."

Volleyball, floor hockey, tennis, soccer, and speedball are just a few of the activities that the Physical Education staff work hard to make fun for all of us. Students of all athletic abilities are given the opportunity to become more physically fit while having a great time.

Some might say that the screwdriver is mightier than the sword! The Technology Education Department teaches students practical skills that can be used for a lifetime. Included in this department are printing, electronics, processing, auto mechanics, welding, and woodworking. Most of us taking technology courses agree that because of the talent of the faculty, our horizons are a whole lot wider.

FAMILY AND CONSUMER

SCIENCES

Is that french toast I smell down the hall? The Family and Consumer Science Department centers on the domestic skills that will help us to be independent and successful. Students are taught about the proper and nutritious preparation of food. Cooking isn't the only subject offered, however. Students can also learn how to take care of a family and how to raise a child.

Being an instant card catalogue, walking reference encyclopedia, Italian master-in-training, and world traveler takes up a lot of time. However, our dedicated librarian, Mrs. Shimel, always finds the time to help any student locate the perfect book to finish their term paper.

Mrs. Brizzollari, or Mrs. B as she is affectionately known, can be found in the copy room of the library. One of her most important jobs during the past year has been the recording of all the holdings of the library into a computer. Thanks to the efforts of Mrs. Shimel and Mrs. Brizzollari, future students will be able to press a key on a computer keyboard and, literally, have the library at their fingertips.

Fred Messier

Colleen Hebert

With the number of computers and typewriters in use today, good typing skills are a necessity. The staff of the Data Processing Department have taken on the responsibility of teaching and developing these skills. This group can be found in the typing wing, hard at work on their keyboards. However, these skills are not the only ones that are focused on. Mrs. Hebert and Mr. Messier also work hard to teach sufficient secretary skills. These include learning shorthand, stenography, and how to take dictation.

Whatever the physical ailment, Mrs. Hallaman is there to offer a cure, or at least her helpful advice. During the year, she tests everyone's vision and hearing, keeps us on schedule with our immunizations, and gives periodic check-ups for a variety of common ailments.

Her office is located in the cafeteria lobby. If you need a band-aid, ice-pack, or just advice, don't hesitate to drop by and consult with her.

Susan Hayes

English is not the primary language of every student at Agawam High School. The English as a second language teacher, Ms. Hayes, works hard to aid these students. She is always available to those who need help with the learning and translation of the very confusing English language. With Ms. Hayes' help, the Agawam High School can provide equal opportunity to every student.

Many of you may know "Doc" Lynch as the man with the Joke-Of-The-Month, but what is he really here for? As the school psychologist, "Doc" Lynch is always available to any student who has a problem or anyone who simply needs someone to talk to. "Doc" also enjoys introducing himself to the incoming freshmen. To do this, he travels to the Junior High School, meets with the students, tells them jokes, and informs them of who he is, what he does, and where his office is located. So if you need a friendly ear, Doc's office is always open.

Edward Lynch, Jr.

Bernadette Conte

Now, more than ever, some troubled students need to be persuaded to stay in school. Thanks to Mrs. Conte and the Internal Suspension program, students who have difficulty following AHS regulations and require disciplinary action are given another alternative to out-of-school suspension. Instead, those students are required to stay in school, segregated from the rest of the student body. They are set in separate class and lunch rooms.

During the day, Mrs. Conte talks with all those who have been suspended and tries to work out any problems while seeing that all their assigned work is finished.

Hmmm...What's for lunch? Just ask the lunch ladies. The lunch ladies arrive at Agawam High School early in the morning to prepare lunch for the entire student body. However, a lunch lady's work is never boring. Simply ask one staff member who recounted this story, "One day a certain staff member, who will remain nameless, came to school with her pants soaking wet. While they were drying, she was forced to remain pantless."

The school custodians devotedly work from sunrise to after sunset to keep our school safe and clean. Their work, whether it's replacing fluorescent lights or re-wiring the school, helps to make a better learning environment for us all.

The golf team had another excellent season with the help, knowledge, and leadership of Coach Paul Bachini. The team was also led by senior captains Greg Borecki, Eric Charest, Cory Chianciola, and Ryan Harlin. The defending Valley Wheel Champions achieved a record of 8-2 in their league and finished in a tie for first place. The team's overall record was 12-3. This included a grueling match-up with Cathedral; Agawam emerged as the winner. Their efforts earned the team a chance to compete in the Western Massachusetts Tournament where they placed fourth overall. Junior D. J. Rapacki had an outstanding season and, as a result, was named to the All-Western Mass. first team. Eric and Cory were chosen to the All-Western Mass. second team. The team enjoyed a very successful season and credit their success to their great leadership and team spirit.

"Hey Cheeze! We had quite a stellar performance last year. Pursuit of the long ball will be on next year as we hope to have another good season." D. J. Rapacki

This year's boys track team, led by first year coach, Jeff Peterson, had an excellent season. They achieved an overall record of 6-2. The team's two captains, Dan Moriarty and Ryan Willett, were among the many who qualified for the Western Mass. and State Tournaments. Dan placed third at Western Mass. in the 400m run. Ryan qualified for the 2-mile. Todd Boskiewicz also qualified for Western Mass. and placed fourth in the triple jump. Joe Scherpa also qualified and won first place in the pole vault. Chris Benjamin placed second in the high hurdles. Nathan Wooley and Joe Willis both qualified in the long jump and 100m. Derek Poole qualified for the high jump, and Jason Rossi qualified for the shot put. The 4x100m relay team was also very successful thanks to the efforts of Andrew Ingham, Joe Willis, Todd Boskiewicz, and Nathan Wooley. Dan Moriarty was selected for the first team of the All-Western Massachusetts team.

This year's girls track team, led by first year coach, Dean Vecchiarelli, encountered a tough season, seen in their record, 2-7. Senior captains Dyan DeLuce, Beth Fleury, Erin Pettazoni, and Rose Pignatare remained encouraging throughout the season and proved to be great assets to the team through their performances and leadership. Rose qualified for the Western Mass. Tournament in the long jump, and during the season placed in the top three, in five out of nine meets. Dyan placed in the top three spots in every meet, showing her consistency. Nina was also a very consistent performer as she placed in the top three, in eight of nine meets. There were also many other outstanding individual performers on the team. Sophomore Sue DeFilipi qualified for both the Western Massachusetts and State Tournaments with her incredible leap in the high jump. At the Western Mass. Tournament, Sue was awarded the silver medal. Another key performer was sophomore Erica Schaffer. Erica also qualified for the Western Mass. and State Tournaments. Her event was the 100m sprint. She won the bronze medal at Western Mass. Agawam's relay team for the 4x100m qualified for the Western Mass. and State Tournaments as well and went on to win the gold medal at Western Mass. The team consisted of Nina Giordano, Nicole Decosmo, Erica Schaffer, and Kara McDade.

The boys lacrosse team has improved greatly since last season. This was not without the help, knowledge and leadership of coaches Jeff Corbin and Dan McCormick. They achieved a record of 4-9. The previous year had been a building year for the new team, but this year they had a large number of starters returning to the squad. Despite their record, the team never gave up and never lowered their intensity at any time during the season. The team hopes to become even more successful with another year of experience. This year's leading scorers were Matt Disco and Chris Day, each with 6 goals, and Marty Giroux with 4 goals.

The girls lacrosse team, in their second year, showed much improvement over last year. Their increased level of skill and experience was seen in their excellent play and record of 10-2. The team possessed incredible determination and desire as they competed with varsity level teams from various schools throughout Western Massachusetts. They proved that experience isn't everything when it comes to having a winning season. It is also aggressiveness, intensity, and heart. This philosophy is instilled in them by their coach, Cindy Grieve. Farah Lalli led the team offensively with 22 goals followed by Beth Skelly with 18 goals, and Brooke Hollister with 17.

"Due to hard work and dedication, the girls lacrosse team, although inexperienced, was very successful. Next season we hope to improve our skills by continuing this work ethic."

The Agawam Boys Tennis Team had a successful season despite a record of 7-9. The team started off strong with a run of five straight wins. Even those matches in which the team recorded a loss were strong as they were very close. Tri-captains Matt Bellico, John Hogan, and Rob Settembro remained encouraging to their teammates throughout the season. Matt competed at first singles while Rob competed at second singles, and Marc Swikalus at third singles. John and Jose Ricuarte played at first doubles and Martin Asp and Xuan Ly played at second doubles. The team did earn a spot in the Western Massachusetts Tournament. They lost to Minnechaug in the first round, 1-4, despite the victory of second doubles partners Martin and Xuan.

"This year was like climbing a mountain. At the start of the season, when we were winning, it was a long, hard climb to the top. Then once we reached our peak and started losing, it was a fast fall to the bottom." Marc Swikalus

This year's girls tennis team had an outstanding season. The team was led by captains Jennifer Touchette and Alison Jean. The team achieved a final record of 11-3. Their great success earned them the Valley League title. In the Western Massachusetts Tournament, the team faced West Springfield in the opening round. Although West Springfield had beaten Agawam in the regular season, the outcome of this match-up was a 3-2 Agawam victory. They were beaten in the semi-finals of the tournament by Longmeadow. Yvonne Hodel, an AFS student from Switzerland, was the runner-up in the Western Massachusetts Individual competition. Yvonne was also chosen for the All-Western Mass. first team for singles. Alison and Jen were both chosen to the All-Western Mass. second team for doubles.

The Agawam girls softball team had an absolutely incredible regular season. The team was aided by the leadership of Coach Debbie Lickley and senior captain, April Rapa. The team achieved a regular season record of 17-2. Their only two losses came at the hands of the defending Western Mass. Champion, Amherst. Lauren Seymour displayed excellent pitching skills throughout the year. April Rapa led the infield with her amazing range, while Kristen Schmaelzle anchored the team's outfield with many key, diving catches. Offensively, Chris Bousquet ran the bases aggressively and successfully. The achievements of April, Kristen, and Lauren earned them a spot on the All-Western Massachusetts first team. Courtne Hyland earned an Honorable Mention for her heroics behind the plate. Agawam's success throughout the season earned them a berth in the Western Mass. Tournament. The team defeated Holyoke in the quarterfinals and moved on to the semi-finals against Chicopee Comp. Agawam had beaten Chicopee Comp during the regular season, but were upset in the semi-finals despite a large opening lead. Although the team experienced a huge disappointment at the end of the season, Coach Lickley is confident that they "learned by their last loss."

This year's varsity baseball team experienced a season filled with many positive and negative aspects. The team was led by the incredible coaching skills of Lou Conte. Senior captains Jeff Campbell and Eric Mas-troianni also played a big part in the season as they encouraged their teammates throughout. Eric, however, was injured at the beginning of the season and sidelined for the rest of it. This was a loss to the team as they were missing his skillful play. The team achieved an overall record of 11-9. Although they played well and finished with such a record, their efforts were not enough to qualify the team for the Western Mass Tournament. The team did receive excellent play from many members. Offensively, Brian Klinakis batted an incredible .450 for the season, while Brian Colby was also impressive as he batted .360. Brian "Mort" Anderson aided the team on the mound as he recorded a record of 5-2. One of the high points of the season came in a game against Chicopee Comp. In the first game of the double-header, Comp had prevailed by a score of 7-4. Agawam, however, battled fiercely in the second game and won 3-2. Brian Klinakis was selected for the All-Western Mass first team and was also named to the All-League Team. Brian Colby was chosen for the All-Western Mass second team and was also an All-League selection. The season proved to be a learning experience for the team. The team was greatly improved at the end of the season and looks forward to a successful season next year.

Last year our team was an up and down team. Our talent surprised many other teams and at the end of the season we missed the tournament by only one game. I think we had a great season for being such a young team."

This year's football team had an extremely successful season. The team was led by the tremendous coaching abilities of Dean Vecchiarelli. They also received great leadership and encouragement from senior captains Dave Curley, Matt Disco, Marty Giroux, Jason Rossi, Jason Votzak, and Brian Colby. The team achieved an overall record of 6-4. They also ended the season in a tie for first place in the AA Conference. Their conference record was 5-1. This was the first time in many years that an Agawam football team had met with such success. Senior Jason Votzak was a standout on the team offensively. Jason finished his high school career with 3,592 rushing yards and 43 touchdowns. The team was also aided by the efforts of many other outstanding players. These players included linemen Matt Disco and Jason Rossi, sophomore quarterback Mike Lauro, senior Marty Giroux, senior Dan Bodman, and senior Mike Perry. Many players were rewarded for their efforts as three members of the team were selected to the All-Western Mass first team. These players included Matt Disco, as an offensive lineman, Jason Votzak, as a running back, and Dan Bodman, as a defensive back. Jason Rossi and Mike Perry were named to the All-Western Mass second team. The All-League Team members included Jason Rossi, Jason Votzak, Matt Disco, Mike Perry, and Dan Bodman. Three were also named All-League and received honorable mention, including Jeff Harlin, Brian Colby, and Bryan Menard. The team is graduating many seniors, but are optimistic about the future as many younger players have shown a great amount of promise.

"With hard work, intensity and focused team unity, we achieved many of our goals. I am very proud of our team and our program which earned the co-championship of the AA conference. I am emotional about leaving, but I wish the best for my fellow warriors and will keep AHS football always in my heart."

This year's field hockey team had a very frustrating season, seen in their record of 5-9-4. The team possessed a lot of talent and spirit, but were hampered by inexperience as the program had graduated fourteen seniors the previous year. The team also faced an incredibly challenging and competitive schedule that included such teams as Southwick and Smith Academy. However, the team still displayed intense effort as they were inspired by the leadership of Coach Cindy Grieve. The team was also encouraged throughout the season by senior captains Chris Bousquet and Katie LaBreck. They were aided offensively by the efforts of leading scorers Erica Pratt and Becky Wing. Seniors Katie LaBreck, Lauren Seymour, Lisa Sands, and Farah Lalli proved to be great assets to the team. One of the most exciting moments of the season came in a game against Western Mass finalist Longmeadow. Agawam lost the match-up 0-1, but kept the score at 0-0 for the majority of the competition. Chris Bousquet earned a spot on the All-League Team and was named as one of the Best of Sixty Seniors in Massachusetts. Although the season may have been disappointing, the team gained a great amount of insight into the skills that will need to be refined next season. With more experience and knowledge, the field hockey team hopes to meet with more success when they return to the field next year.

The boys soccer team displayed an incredible amount of improvement over last year's play. The team ended the season with an overall record of 6-9-2. This record, however, does not reflect the competitiveness of the boys team. The team showed great skill and effort in every game, and many times nearly won the match-ups. The team was led by the coaching of Dwight Northrup. Coach Northrup stressed hard work and determination throughout the season, and the team responded. They also received great leadership from senior captains Todd Boskiewicz, Frank Fila, and Derek Poole. These players also led the Agawam defense which remained a huge asset to the team and was responsible for much of the team's success. Offensively, forward Chris Chechile and midfielder Mike Domaingue were the team's leading scorers. Despite the improvements that were made within the team, they missed qualifying for the Western Mass Tournament by three points. The team also had many outstanding players who were awarded for their achievements. Todd Boskiewicz was named to the All Western Mass second team, while Derek Poole, Mike Domaingue, Chris Chechile, Bob Burke, and Frank Fila were All-League selections.

GIRLS SOCCER

The girls' soccer team experienced another successful season and once again earned themselves a trip to the Western Mass Tournament. The team was led by Coach Bill O'Brien, who ended his coaching career at Agawam on a very positive note. The team was also led by senior captains Kristen Schmaelzle, Dina DeMarco, Deanna Knodler, Brooke Hollister, and Shauna Nacewicz. The team was plagued by injuries throughout the season. Senior forward, Dina DeMarco, reinjured her knee on the first day of tryouts, and junior defender Erica Schlaffer suffered the same tragedy after having played only seven games. The team finished with an impressive record of 9-6-3, but was not satisfied with their play. They did, however, display determination, unity, and an incredible work ethic throughout the season. Freshman Kristen Patterson led the team offensively with the support of Sue DeFilipi and Courtnie Hyland. The defense was led by Kristen Schmaelzle, Alison Reseigne, Shauna Nacewicz, and Danielle DiStefano. Kristen Schmaelzle earned All-Western Mass and All-State Honors, while Kristen Patterson and Courtnie Hyland earned spots on the Western Mass second team. Shauna Nacewicz, Brooke Hollister, and Sue DeFilipi were named to the All-League Team.

"Mr. O'Brien made our last year, and his, a year to remember. Not only did we work hard throughout the season, but we also had fun."

The gymnastics team experienced another successful season as they achieved an overall record of 9-5 and a divisional record of 6-2. With the incredible leadership of coach Heather Sawyer and junior captain Becky White, the team qualified for the Western Mass Tournament and entered the competition seeded seventh. The gymnasts proved their abilities as they placed sixth in the tournament while earning a score of 114.45 points, right behind fifth place Cathedral. They also earned the B Division Title with challenging wins over rivals Longmeadow and Amherst. Melanie DeMastrie, Becky White, and Kelly Mullen proved to be outstanding and consistent all-around gymnasts while Veronica Pierce and Bree Hayward displayed their talents on the vault. Jen Sparveri showcased her abilities in the floor exercises. The team is excited for the next season as freshmen Toni Loguidice, Tara Freeman, Jessica Hansen, and Sheree Cardin show promise for gymnastic success.

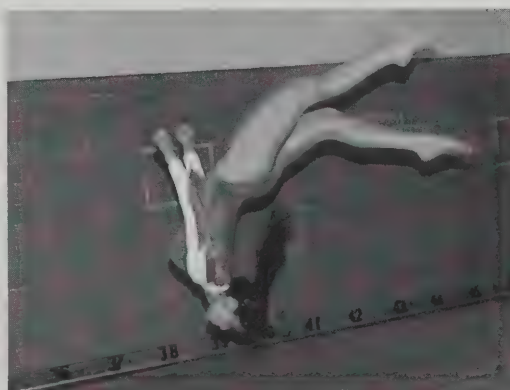

"With a great team, a great coach, and a lot of hard work, we were able to win the B Division."

This year's cheerleading squad, under the guidance of Coach Kim Hebert, has been practicing since last June. The group attended a cheerleading camp at Brant Lake in August. The squad spent four days at the camp and earned the honor of camp champions for cheer and sideline. They were led in their efforts by captains Rosi vonHollander, Kara Murphy, and Tara Fiorini. The squad can be found at every football and boys basketball game where they avidly support the teams' efforts. They are also involved in exciting the crowd at the bonfire rally and at the Thanksgiving Day Game. In order to purchase new basketball uniforms, the squad participated in many fundraisers including a car wash, candy sale, and Kisses for Christmas sale. The group also sponsors the half-court shootout competition at every boys home basketball game. The squad competes in three competitions in February and March including the Pioneer Valley, Western Mass, and Cheer Celebration. Kara Murphy, Rosi vonHollander, and Kris Grych were selected as UCA All-Stars.

"I think we surprised ourselves! We worked really hard and there hasn't been a stronger cheerleading team at AHS." Rosi vonHollander

BOYS

This year's boys basketball team is in the midst of a very frustrating season. The team possesses a number of talented athletes. However, many of those players are also very inexperienced as the team consists of only four seniors. The team is led by the coaching skills of Mike Martin. They also receive talent and encouragement from senior captains Dan Bodman and Todd Boskiewicz. At this point in the season, the team has achieved a record of 1-10. Although this record may seem disappointing, many of the team's losses have been very close and have come at the hands of extremely competitive teams. The team has many outstanding players. Todd Boskiewicz, Dan Bodman, Phil McGoeghan, and Derek Poole have all played key roles. The team has shown much improvement over the last few games, and hopes to close out the season with great success.

This year's girls basketball team is in the midst of an exceptional season. The team is led by the great coaching experience of Lou Conte who, last year, led Agawam to the State Finals. The team also receives great leadership and encouragement from senior captains Katie LaBreck, Shauna Nacewicz, Kristen Schmaelzle, and Dina DeMarco. The defending Western Mass Champions are playing well as a team and presently have a record of 15-3. The team is now tied for first in the Valley Wheel after defeating first-place Northampton. The team is led by the efforts of senior forward Kristen Schmaelzle and freshman point guard Kristen Patterson. Agawam has also received strong play from seniors Katie LaBreck and Shauna Nacewicz and juniors Sue DeFilipi and Courtne Hyland. The team possesses an incredible amount of talent and dedication and hopes to use these in order to repeat last year's Western Mass performance.

"Since a lot of teams did not expect us to be much of a challenge, that gave our team extra incentive to work even harder, and made each of our victories that much sweeter."

Once again, the Agawam wrestling team lived up to its incredible reputation. The team was provided with strong leadership throughout the season from senior captains Matt Bryant, Kirk Parker, John Scalise, and Adam Tebaldi. Agawam suffered only one loss during the regular season and earned first place at both the Agawam and Milford Tournaments. John Scalise and Andrew Ingham proved to be consistent performers throughout with records of 26-1 and 20-1, respectively. Seniors Mike Poth and Kirk Parker led the team in pins with eighteen and sixteen. Led by the great experience of head coach Phil Tomkiel, the team captured their ninth straight Western Mass Division I Title. The team sent twelve players to compete in the State Tournament. Dan Vargas took fifth place, Scalise earned fourth, and Poth grabbed second place in their weight classes. First place finishes by Ingham and Jon Jacobsen led Agawam to the State Title. The overall success of the team was due not only to the incredible talent of the athletes, but, more importantly, their hard work, dedication, and pride.

"After such a successful season last year this season turned out to be quite a disappointment"

Sean Szczygiel

This year's Agawam hockey team suffered a rather disappointing season. The team was hurt by the loss of many key, experienced seniors the previous year. At press time, the team had achieved a record of 3-11-1. However, their record does not express the great amount of talent that they possess. The team was led by Coach Fran Pycko and senior captain Brandon Parelli. They also received great encouragement from assistant captains Jason Biagetti and Sean Szczygiel. The team began the season well as they defeated East Longmeadow, but were plagued by injuries, sickness, penalties, and suspensions for the remainder of the season. They turned to inexperienced underclassmen to boost the team. These young hockey players showed a lot of promise for future seasons. Frank Fila summed up the season saying, "Individually, the players had much talent but could not, however, put it all together to form a strong, unified team."

This year's girls ski team had a very successful season. The team was led by Coach Jim Graveline and senior captain Kim Graveline. Overall the team finished in third place while missing second by only two points. They possessed a great deal of individual talent that was displayed at the Individual Tournament. Jodi Bulat performed well enough to earn 21st place, Kim Graveline followed in 23rd place, and Jill Pavelcsyk took 40th place out of 170 skiers. Freshman Jodi Bulat will also be competing at the State Tournament. Kim Graveline was this year's only senior and participated in the State Tournament twice in four years. Kelly Grover was also a key skier for Agawam.

This year's boys ski team, led by Coach Glenn Olson and captains Brandon Robb and Andy Markowski, also had a successful season. The team finished in fourth place overall with thirty-eight points. They also performed well at the Individual Tournament. Brandon Robb led the Agawam skiers as he placed 34th, Paul Braccialarghe earned 41st place, and Andy Markowski finished in 42nd place out of 170 skiers. Ben Weld also proved to be a key performer for Agawam as he finished with 59 points. Paul ended with 56 total points while Brandon had 36.

Although the boys swim team finished the season with a record of 2-9, the team met with a great deal of success. The team possessed an incredible amount of talent, but, unfortunately were hurt by the number of swimmers on the team. The five members of the swim team worked hard throughout the season and were never discouraged. There were many exceptional individual performers on the team. Mike Robinson took first place in the 200 individual medley in the preliminaries at the Western Mass Tournament. Mike finished the tournament in second place. Tim Church earned first place in the diving competition at Western Mass. Keith Paro finished right behind him in second place. Overall Agawam earned ninth place at the Western Mass Tournament.

Jessica Crowley

The Agawam girls swimming team had another very successful season. The team achieved an overall, regular season record of 9-4. The team was led by coach Jason Osbourne. Tri-captains Jessica Crowley, Rachel Niemiec, and Heather Pliska also provided the team with a great amount of leadership and encouragement. Each also proved to be very key, consistent swimmers for the team. The team also performed well in the Western Mass Tournament. They finished in ninth place overall and received many incredible individual efforts. Senior Heather Pliska led the team in the tournament. Heather took first in the 100m breaststroke and placed third in the 200 individual medley.

A Little Bit of Entertainment

The talented young women of the Choreography I and Choreography II classes are always busy practicing and perfecting their dance routines. Hours of preparation go into each performance. These performances are created and choreographed by the students. Every move and dance is completely original. This year featured such presentations as "Young and Proud", "Desire", and "Turn the Beat Around". These dancers add a new dimension to the Top 40, Broadway Revue, and Vaudeville.

Shakespeare once said "All the world's a stage, and we are merely actors." This is especially true of the students of Mrs. Poulin's Theatre classes. They are dedicated to rehearsing their roles in order to give the ultimate performance.

This year, they first displayed their talents with "Saturday Night's Laugh-In on Thursday." The show consisted of an evening of short skits taken from some of today's funniest sketch comedy shows, such as Saturday Night Live and The State.

The group then moved on to more serious presentations. Period 6 concentrated on the play "The Crucible", centering around the Salem witch trials. Meanwhile, period 7 prepared to perform "The Sting", a comedy based on the premise of convicts duping each other. Just as their past successes, these plays proved to be extremely entertaining.

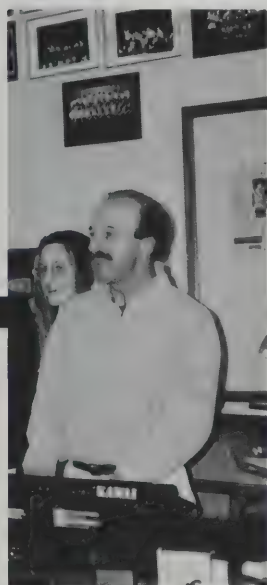

SHOW CHOIR

The AHS Show Choir is a group that manages to combine Choreography I, Chorus Class, and a touch of theatre. Directed by Mr. Files, this year's Show Choir performed at the Christmas Concert and Broadway Review. Each number is created into a complete performance as the dance and the necessary theatrics are added. This year's musical selections included "Takin' Care of Business", "Let the Good Times Roll", and a medley from the musical "Oklahoma". The Show Choir ended the year with a trip to the U.N.H. Jazz festival where they gave an incredible performance.

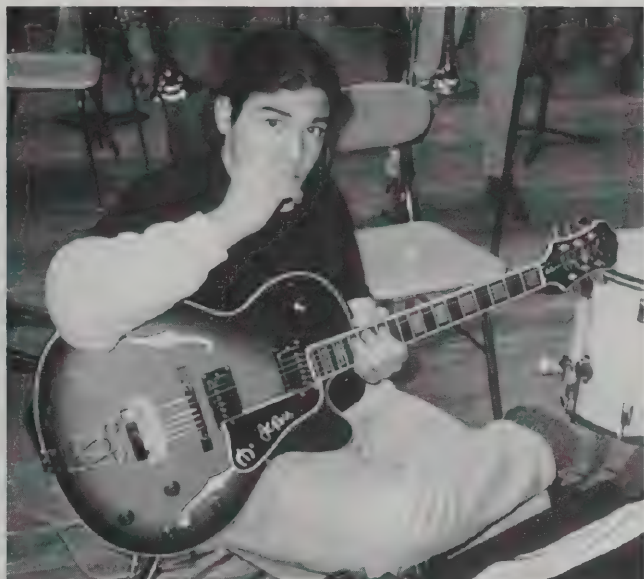

The Chorus is an introductory choral group offered to freshmen. Here they are taught the basic skills that prepare them for the more advanced group, Show Choir. They also perform alongside the Show Choir during the Christmas Concert and at graduation. These future Show Choir members will be an excellent addition to any group.

Ever wonder who coordinates all the shows to keep them running smoothly? That's what the Production Class is for. Through-out the year, the class prepares for such shows as Vaudeville, Top 40, and Broadway Review. Thanks to them we are able to enjoy many nights of music and fun.

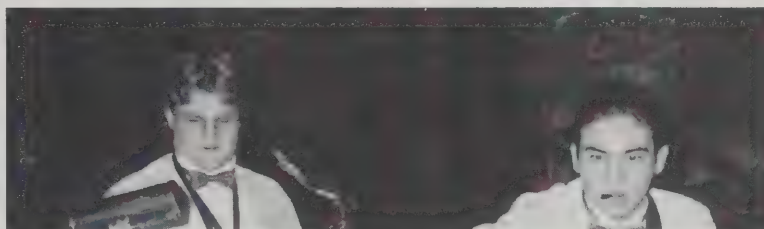

The Concert Band is a group of students who take pride in entertaining through music. They perform periodically throughout the year and at the Senior graduation in June. This group has won numerous awards each year at the competition in Toronto, Canada, and in the spring, they hope to achieve this goal again. If, while walking down the hall, you hear music seemingly coming from nowhere, it's just the hard work and practice of the AHS Concert Band.

Following in the footsteps of musical greats like Louis Armstrong, Duke Ellington and Fletcher Henderson are the members of the Jazz Band. The Jazz Band is a small group of band students who play lively jazz tunes. Each member of the group is extremely talented. Listening to them will cause your feet to start tapping and send you home with a song in your head.

MARCHING BAND

It's half-time, and you know what that means . . . it's time for the Mohawks, the Agawam High Marching Band. During the football season, the marching band plays throughout the game to excite the crowd and to rally the team to victory. However, this group does not limit itself to playing at the games. Throughout the year they also sell candy around town to support themselves, and every spring, they travel in order to compete against other bands from across the country.

As the band plays on, the Colorguard is there to put on a show. They are the visual expression of music. Their knowledge of that expression was revealed at this year's annual Massachusetts Instrumental Conductors Association, or M.I.C.A., festival. This year they performed well enough to earn five stars, a superior rating.

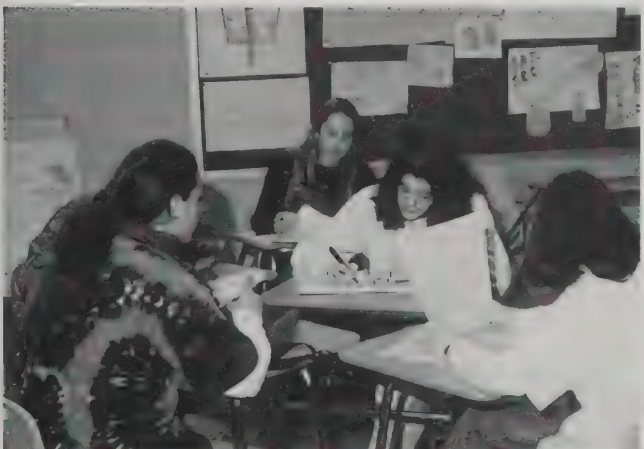

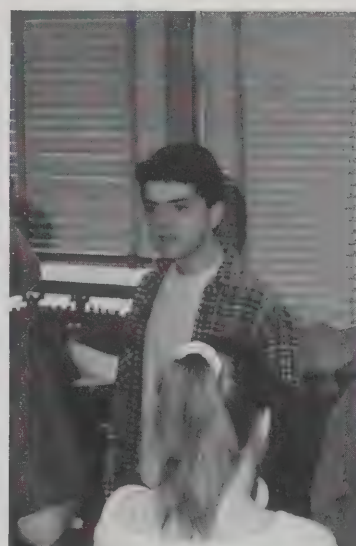

A Little Bit of Participation

What's black and white, named after a cosmetic accessory and is over seventy years old? The Mirror continued its quest for journalistic excellence this year under the leadership of Editor Steve Bodurtha. Many features and topics were covered by the staff, including nightlife, gambling, and the ever controversial issue of teenage pregnancy.

A change from the past years, this year's Mirror Staff compiled its own layout. Previously, the Agawam Advertiser-News did this. However, the hardworking Mirror staff now performs this difficult and tedious task. With a size of at least twenty pages per issue, the Mirror takes pride in being one of the largest student-produced newspapers in the region. The Mirror makes big news all the time.

Editor-in-Chief: Steve Bodurtha, Associate Editor: Andy Markowski, News Editor: John Manning, Entertainment Editor: Mary-Lynn Scortino, Feature Editor: Amanda Limbert

The *Uniqorn* is a unique literary magazine. This year, the *Uniqorn* staff assembled an entirely new format. Unlike previous years, the new issues were professionally laid out with the aid of every modern technique available. Due to the extreme effort of the Editors, this was achieved.

The staff produced two magazine style issues that were totally revamped and polished up. It still contains the best prose, poetry, and artwork that Agawam High has to offer.

Editor-in-Chief: Rosemarie Oppedisano; Associate Editor: Dan Barber; Layout Editor: John J. Manning, III; Secretary: Suzanne Brown; Graphic Arts Editor: Tracey Butler; Advisor: Mr. O'Brien.

The Office of Student Affairs, or OSA, is a group of students who are dedicated to maintaining school spirit and ensuring a student's right to vote. In order to fulfill that responsibility, the OSA was in charge of the class elections that were held. The annual carnation sale was as popular as always. There is also talk of the creation of a possible "Spirit Week." The members of the OSA are elected by the student body. This year's officers were — Director, Mary-Lynn Scortino, Assistant Director, Kara Murphy, Secretary, Becky White, and Treasurer, Kelly Carmody. The group is advised by Mr. Baggetta.

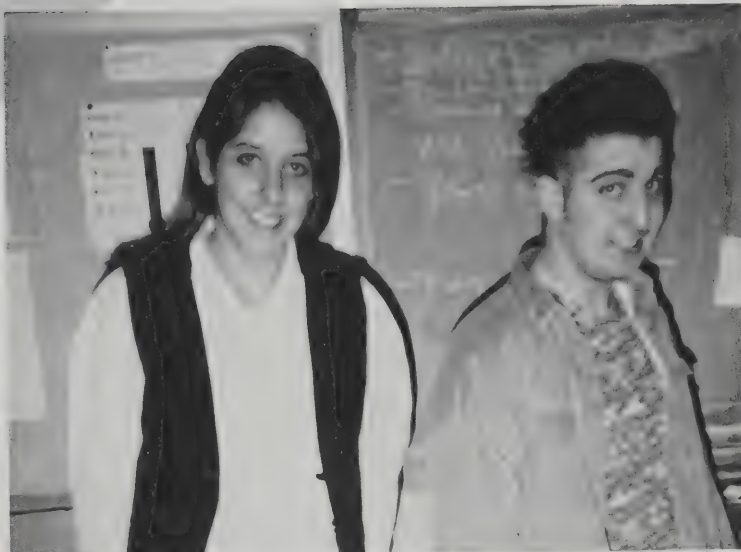

They're hard-working, creative and all members of the same group — the National Honor Society. Members are selected on the basis of academic achievement, personal character, leadership, and volunteer services. The Agawam chapter of N.H.S. strictly follows the national guidelines for membership. That is why it is such an honor to be selected as a member of this prestigious organization.

N.H.S. has continued the long-held tradition of working with the Agawam Lion's Club at the Eastern States Exposition, where members served chicken to the hungry crowds. Also, N.H.S. was involved in the American Heart Association's phone-a-thon, volunteering their services for the lucky-duck race, and collecting a record amount of money for the Toy for Joy fund. In school, they held their annual can drive, raffle, and mid-year induction of juniors and seniors.

SPANISH NATIONAL HONOR SOCIETY

The French and Spanish National Honor Societies were created in order to honor those students who are excelling in their studies of either of those two languages. Students who are chosen for the societies must meet certain requirements. First of all, students must study the language for at least four years. These students must achieve an A average in their study of this language. These inductees must also be well-rounded students and achieve a combined B average for all of their other courses. The candidates are inducted into their society in a ceremony which is held in the language room. This year's French National Honor Society inductees are Barbara Bitgood, Christina Bousquet, Debbie McKenna, and Jeanette Bilodeau. As for the Spanish National Honor Society, this year's inductees are Spencer Beaver and Joan Mineo.

FRENCH NATIONAL HONOR SOCIETY

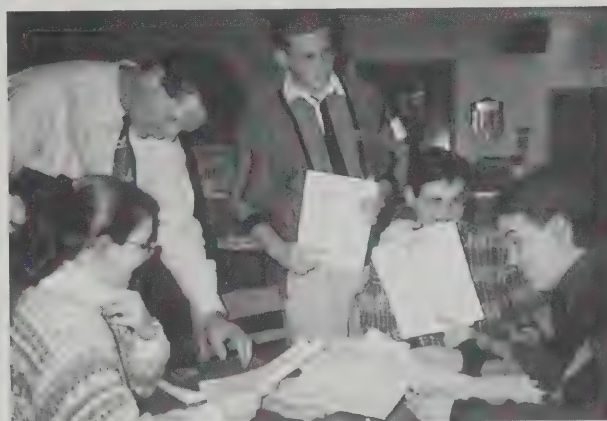

The Model Congress is a group of students who devote much of their time after school to one thing: debate. The Congress always finds itself involved in many arguments, ranging from abortion to the death penalty. This year, the members of the Congress have strived to improve their debating skills and to perfect their skills of parliamentary procedure.

The Congress went to Yale University in November where it received a number of awards: Second Place, Full Senate Session; Second Place, Transportation, and Best Speaker, Judiciary Committee. At the A.I.C. Conference in January, the main piece of Legislation was the repeal of the Impoundment Act of 1974, sponsored by John Manning and Paul McGrew.

"Every Rotarian an example to youth" is the international motto of Interact. However, the Interact Club of Agawam is a true original. It serves the student body by acting as the student council for the high school. Its members are elected or appointed representatives of the various AHS organizations. This prestigious group works hard to represent everyone and get the students involved in the inner workings of the school.

By becoming the first active student government in almost twenty years, some new ground had to be broken. Interact paves the way for forging a lasting relationship between the local business community and AHS students. Members also attend a monthly Rotary Club luncheon at Storowton Tavern.

This year, besides establishing itself, Interact was fundamental in getting plans for a new student lounge and vending machines. Also, Interact appointed student members to special committees with tasks such as the evaluation of the new Assistant Principal's position.

President: John J. Manning, III, Vice- President: Al Albano, Secretary: Barbara Bitgood, Treasurer: Michael Dutton

QUILL & SCROLL HONOR SOCIETY

In its first full year running at Agawam High School, the Quill and Scroll Honor Society for High School Journalists has kept busy raising money to support itself and organizing activities to promote journalism at the high school level. One of the most exciting projects is the creation of a video history of Agawam for use in classrooms ranging from the kindergarten through sixth grade levels. Members have also volunteered to put together videos portraying various aspects of life at Agawam High School for broadcast on cable television. The members of Quill and Scroll are selected from those students on the Sachem, Mirror, and Unicorn staffs who have at least a B average.

"To be or not to be..." That is the question the Shakespeare Society has attempted to answer. The Society, which was created this year, is dedicated to showing appreciation for "the bard" and his works. Reciting soliloquies during National Shakespeare Week was the group's main activity this year. This was the first time that National Shakespeare Week was recognized in our school.

SHAKESPEARE SOCIETY

ACO

The Ascension to the Class Officers, better known as the ACO, is a collection of Juniors who meet to make decisions concerning activities, and to discover lucrative fund raisers for the class of '96. The group was formed by Junior class president, Al Albano, when class meetings were not being well attended. Now, this small group of Juniors create numerous ideas, and then present them to the rest of the class at the regular class meetings.

THE STUDENT ADVISORY COUNCIL

The Student Advisory Council underwent drastic changes during the year due to the Education Reform Act. Tony Newman, The Senior Representative, heads this group of local student advisors, elected by each class, to attend school committee meetings. Tony, by serving on the committee, is given the opportunity to inform its members of the interests of the students of the high school.

A new section of the Student Advisory Council was implemented this year. The Massachusetts Board of Education mandates that each high school in the state elect two students to represent them on the Regional Student Advisory Council. Agawam's elected representatives are Mary-Lynn Scortino and John Manning, who also represents this district as a State Delegate to the Department of Education in Malden, MA. There, John researches education legislation with other state representatives, and debates issues concerning such subjects as lengthening the school day with members of the Board of Education.

STUDENT ADVISORY TO THE SCHOOL COMMITTEE

DECATHLON ACADEMIC

Would you go to school on a Saturday just to take a test? The committed members of the Academic Decathlon would... and did!

Advised by Mr. Corbin, the Decathlon had yet another successful year. At the Western Massachusetts division competition, the Agawam team came in sixth place out of all the others that they competed against. The team is composed of three A, three B, and three C students. Together, they traveled to competitions with other area schools and answered questions concerning this year's Super-Quiz topic: Microbiology.

Besides Microbiology, other topics are evaluated. English, Math, Science and History exams are given to each of the contestants. Also, each must give a speech as well as partake in an interview with a Decathlon judge.

In its second year, the Computer Club, headed by Mr. Ramah, is as busy as ever, due to the necessity of computer knowledge. This club, consisting of 10 - 15 members, is not just for the "hackers" in the school, but also for the computer illiterates who would like to become familiar with computers. This club is unique in that, unlike other clubs, it doesn't have weekly meetings; instead, its members are free to work either on the AHS network in the library, or on various other computer related projects around the school. They are also involved with projects from other local schools, such as computer maintenance and repair.

COMPUTER CLUB

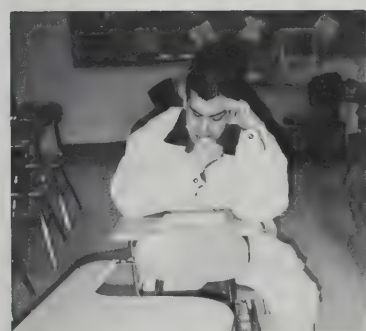

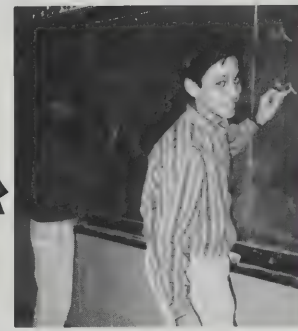

Although the name may deceive you, the Math Club has nothing to do with the subject of math. Actually, the Math Club's main focus is to hold fundraisers to support the Math Team, including the Parent's Night Bake Sale. The Club is also involved in helping the community through the Coats for Kids collection and the Open Pantry can drive. Other activities this year included several social gatherings and a Boston trip.

President: Dina DeMarco
Vice-President: Kristen Schmaelzle

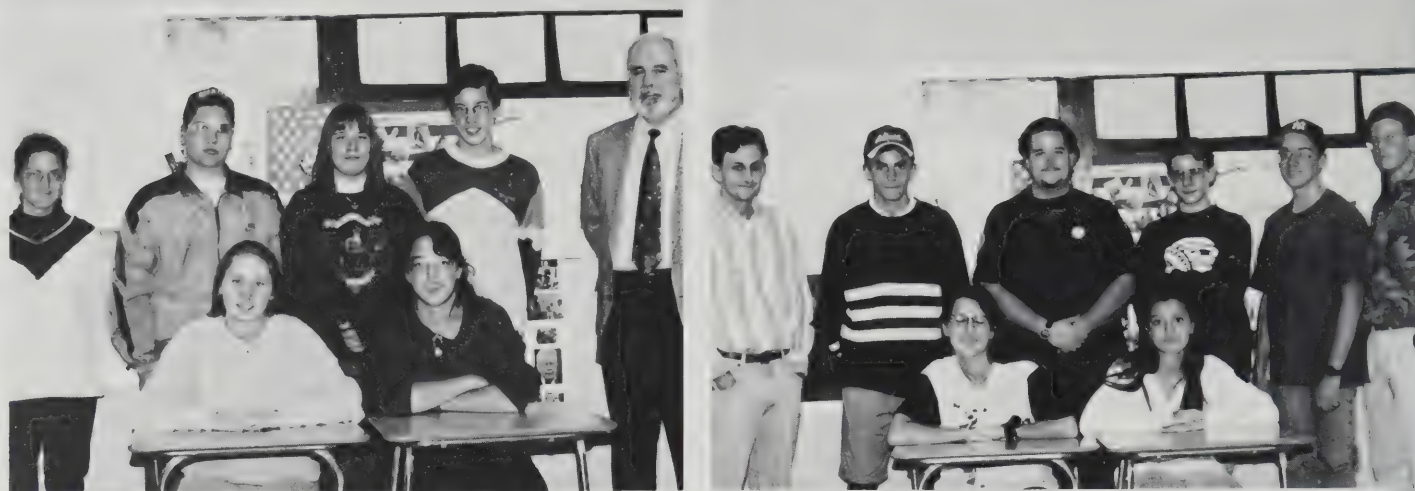

Treasurer: Chris Bousquet
Secretary: Marc Swikalus

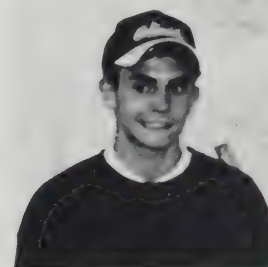

The Math Team is composed of students ranging from the freshman level to the senior level. These students compete at five meets each year that are held at various high schools in the area. These competitions consist of six different sets in which three members answer questions individually. The topics that are covered by these sets include Number Theory, Algebra I, Geometry, Algebra II, Analytic Geometry, and Trig/Complex. Team rounds of play are also held twice a year. This year the team did very well and placed 7th at a competition in Longmeadow.

AS MATCH SCHOOLS WITS

As Schools Match Wits is a club, headed by Mr. O'Brien, that focuses on knowledge. The meetings after school consist of a game/training session, where Mr. O'Brien asks members questions dealing with various topics, and a "learning period", in which students take notes on the information given by Mr. O'Brien concerning a number of subjects. Each year, four members are chosen to be on the team which appears on television, currently consisting of Steve Martin, Steve Freeman, Cathy Willis, and Amanda Limbert. The members also travel to other local high schools for competitions.

The Multi-Cultural Club is a combination of students with very diverse backgrounds. One of the club's major fundraisers this year was the Friendly's Ice Cream basket raffle. Their efforts to represent the cultural diversity in our school have ranged from their showcases during Black History Month to going Christmas caroling.

STUDENTS THE AGAINST ENVIRONMENT VIOLATING

The environment is a terrible thing to waste and Students Against Violating the Environment, better known as SAVE, is doing its best to prevent this. SAVE, under the guidance of advisor Mrs. Bertone-Gross, works hard to promote the present need to improve our environment. Past projects have included the beautification of the courtyard. This year, SAVE was involved in a pre-Christmas gathering. They sold environmental T-shirts in order to support their efforts and SAVE was also involved in the Coats for Kids collection.

The Art Club is a group that was designed to promote artistic creation. The club's advisor, Ms. Schilling-Nordal, offers her advice and expertise to those students who wish to work on projects after school. The Art Club does not limit its members to only those that take an art course. All students are invited. The number of members this year is an improvement over last year, as many more students have decided to pursue their artistic interests. The club's members are involved in painting and claywork. The club also tries to focus on everyone's creative differences.

The members of the Prom Committee have a tremendous job. This group is involved in every decision that is made concerning the junior/senior prom. Every member is given an opportunity to vote on the theme, colors, menu, and even the souvenir that is given at the prom. This is not an easy task. However, with the help of the advisor, Ms. Schilling-Nordal, the prom is always well-organized and a huge success. The theme that was chosen for this year's prom was "Wonderful Tonight", a fitting title for an enjoyable evening.

The Renaissance program rewards students for their achievements in improving and maintaining academic excellence and good behavior. The most popular privilege, for students that qualify, is exemptions from a midterm or final exam. This year many changes were made in the Renaissance program, including abolishing the application process and the introduction of Tuesday Morning Trivia. The Advisors also sponsor many other activities, such as Saturday Night at Fitness First and Renaissance breakfasts.

The students of the Future Teachers of America have the desire to fulfill young people's quest for knowledge. The members of this group have decided to make teaching their profession. In the fall and spring, the club sponsored the blood drive that is held at AHS. They also sponsored the Tupperware sale, which was a fundraiser to support the building of a new weight room. Most importantly, once a month, they travel to local elementary schools to either observe the teachers, or to read to the children.

The members of Peer Leadership are those students who are devoted to teaching young children, as well as their peers, about the dangers of drug and alcohol abuse. This group, with the help of its advisors, Mrs. Williams and Mrs. Sasso, is involved in many projects in order to promote their cause. The Peer Leaders sponsor the Great American Smokeout, a program to discourage smoking. They are involved with the creation of the chain of life and promote the DARE program sponsored at the Middle School. The Peer Leaders are also involved in teaching refusal skills in the Junior High and in freshman health classes; and in the creation of an introductory video for the incoming freshmen. With their efforts, many students are given greater insight into the negative aspects of substance abuse.

Would you like to check out a book? If so, the library staff would like to help you. Every period of every day the staff members are always waiting to help make your library experience as pleasant as possible. From checking out a book, to the end of the school year dusting, this devoted staff is committed, with the help of Librarian Ms. Shimmel, to keep the library in tip-top shape.

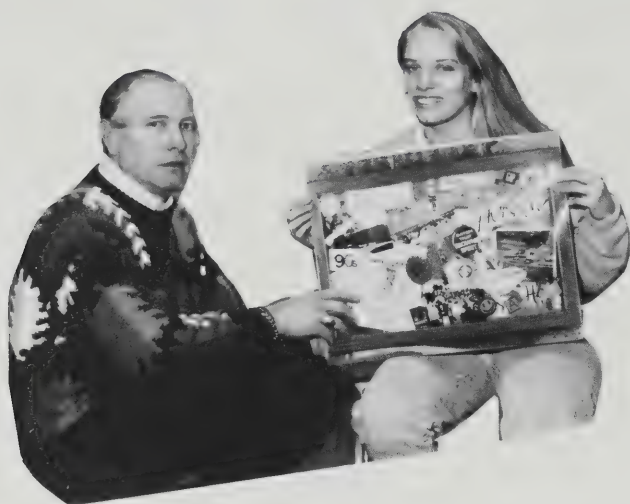

The American Field Service, or AFS, is an active and enjoyable club that works to welcome our international students and to hold activities for the AFS students, their host families, and the AFS club members. In October, an International Exchange Weekend was held inviting AFS students from other area towns to visit Agawam. Also offered during this weekend were an ice cream party, a pizza party at Fitness First, a picnic at Sunrise Park, and a brunch. In December, members and students travelled to Boston and visited the aquarium. This year's AFS students arrived from Turkey, Finland, Belgium, Spain, Norway, Ecuador, and Sweden. The club's advisor, Ms. Bruce, helps to make life at Agawam as interesting as possible for these students.

What do you get if you combine all of the students, teachers, sports, clubs, and activities of Agawam High School? You get "a little bit of everything" and the theme of this year's yearbook. The '94-'95 yearbook staff, with the guidance of Mr. David Pulaski, has worked long and hard to bring together all of those little things that represent AHS and to present them to you in this year's SACHEM.

This year's staff was led by Editor-In-Chief Becky Auld. Becky created the theme of the yearbook and directed its production. She was aided by the efforts of Associate Editors Barbara Bitgood and Michael Dutton. These three spent many hours checking layouts, proofreading copy sheets, and worrying about the next deadline.

The Literary Staff of Chris Bousquet-Literary Editor, Suzanne Brown, John Manning, and Tom Ciccolini were in charge of the writing and typing of everything that is in this yearbook. This staff found themselves spending a lot of time, actually an endless amount of time, with their typewriters, computers, and white out as they worked to make this yearbook interesting to read.

Everybody likes pages full of pictures and the Layout Staff made sure that there was plenty of them. This staff, consisting of Joan Mineo-Layout Editor, Debbie McKenna, Jeff Daigneau, and Beth Meagher, painstakingly traced where every picture would be found on each page. They were responsible for the design of each page of SACHEM.

Of course to have pages full of pictures, pictures are necessary. It was the job of the Photography Staff of Jill Lamson-Photography Editor, Kara Murphy, Amy Bressem, and Denise Marchetto to capture every club and activity on film. They were also given the responsibility of taking great and, many times, embarrassing candid photos.

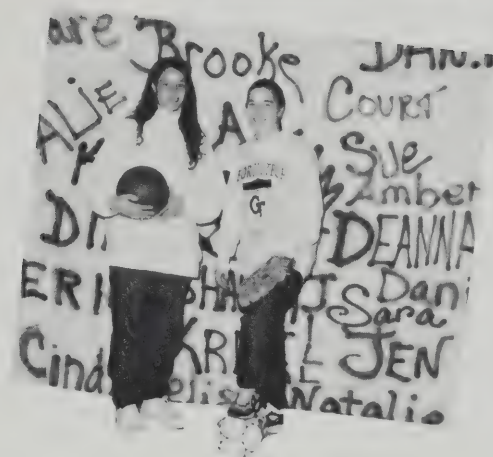

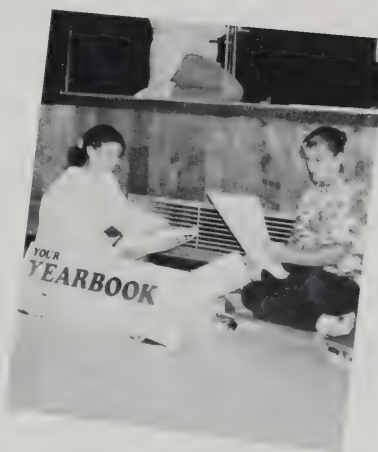

Without the efforts of the Ad Staff of Shauna Nacewicz-Ad Editor, Lisa Magnacca, Deanna Knodler, and Brian Colby, this yearbook would not be possible. It was the persuasiveness and persistence of this staff that convinced many students, parents, and area businesses to purchase advertisements. It was this money that was raised that made the production of the yearbook possible.

All of the money that was brought in through these ads, along with yearbook payments and all other finances were handled by the Business Staff of Lisa Sands and Maureen McEneaney. These two were in charge of all counting, recording, and exchanging of yearbook money.

The Sports Staff of Dina DeMarco and Kristen Schmaelzle took on the responsibility of compiling all statistics, acquiring sports information, and helping with the sports write-ups. With their efforts, every sport was well covered and represented.

Last, but not least, is Secretary Katie LaBreck. Katie was in charge of making all phone calls, keeping all of the records, posing the Photo of the Day, and, most importantly, keeping Mr. P sane. With her help, everything was well organized and ran smoothly.

The creation of this yearbook has been difficult but very memorable. We are excited with the results of our efforts and hope that the memories that have been captured in this edition of SACHEM will last forever.

Congratulations Twenty-Five

Mr. Pulaski with Carol Geddis, the 1970 yearbook editor-in-chief, outside room 40.

It has been 25 years since I worked with Dave Pulaski in his first year as advisor to the Sachem staff. As rookies, we looked to each other and the other staff members to produce the "Sachem Seventy". My job was over after that memorable year, but "Mr. P" has continued on for 24 more. 1995 has arrived, along with Dave's 25th anniversary of guiding seniors through yet another successful yearbook. Congratulations, Dave, on 25 years of hard, dedicated work, well done.

Mr. Pulaski on Years of Success

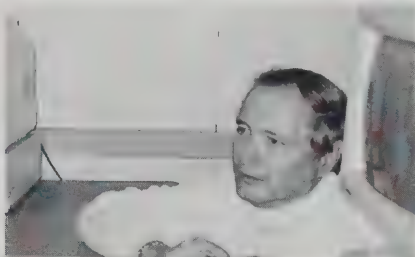

Although I've only been a representative with Taylor Publishing Company for two years, I count myself fortunate to be associated with Dave Pulaski.

As an advisor, he is without peers. Having witnessed him in the classroom, I know he is a fantastic teacher and motivator and a true friend of the Agawam High School Community.

I congratulate Dave on his many wonderful years of dedicated service and wish him many more as the leader of the Sachem yearbook staff.

Mr. Pulaski, I would like to thank you, not only for choosing me to be the editor of such a prestigious staff, but also, for all the help, time, and patience you've devoted to me and the staff. I have learned so much this year about people, life, and work in the real world (deadlines!). It has truly been an honor working with you. Good luck in the future and once again, thanks.

NOW

A Little Bit of Excitement

A well-known phrase in sports is "any team can beat any other team on any given day". In accordance with this phrase is another saying "the best team doesn't always win". This year's Thanksgiving Day game was a prime example of this as the heavily favored Brownies were plagued by last minute mistakes leading to an upset by rival West Springfield.

Take it from me, a player, the team was pumped and ready for the game. We had experienced incredible team unity during the two weeks prior to the game. Everything seemed to come together the night of the bonfire. The team and crowd were cheering and screaming despite the bitter cold. None of our thoughts were ever on losing. We had a desire to win and it seemed as if nothing could deny us the victory.

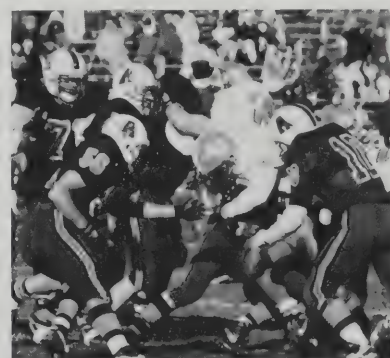

The next morning, everyone showed up ready to play. Agawam seemed to control the game all day as Jason Votakis carried the ball into the endzone to give Agawam a 6-0 lead. The Brownie defense completely dominated West Side and Agawam still held the same lead at halftime.

After halftime, it was the same story. Agawam's defense played superbly as Matt Disco and myself each recovered fumbles inside the five. However, with two minutes left in the game, West Side scored and gave themselves the lead 8-6.

The Brownies took the kickoff and had good field position at the 40. We had plenty of time to score. What happened next, no one could believe. On the first play of our drive, quarterback Mike Lauro was sacked and the ball was loose. A West Side lineman picked it up and scored. The score was now 14-6 West Side and there was little time left. Before we knew it, it was over. In utter disbelief, we trudged back to the bus. Nobody said a word for the whole trip home.

Agawam had lost and the better team had been overcome by one mistake late in the game. It was a tough pill to swallow, especially for us seniors. This isn't supposed to happen your senior year. But as history has taught us, life goes on. The Thanksgiving Day loss will remain in the memories of the seniors, but we will return next year to see if the new brand of Agawam seniors can get our bitter-sweet revenge and crush West Side!!

-Brian Colby

One of the first and most popular senior events is the Kid Party. This year was no different than any other. There was a large number of seniors who were psyched for the arrival of the night of the Kid Party. The night itself brought many different costumes, ranging from Mighty Morphin Power Rangers to the Pink Ladies to the Chipmunks. The DJ provided the music for the dancing and even moshing. Although both of these were very popular, Karaoke remained the biggest attraction. Seemingly everyone sang every type of song. The Kid Party was enjoyed by all and will stay in the memories of every senior.

SATURDAY NIGHT'S LAUGH IN

What do you get when you combine "Saturday Night Live," "Laugh-In," "The State," and "Adam Sandler"? You get the Theatre classes' production of "The Saturday Night Laugh-In on Thursday!" The show opened with Chris Bousquet's and Scott Belisle's "The Cheerleader". Bob Parslow and Jason Alberti recreated SNL's "Simon" while other skits included "Bu-Bye", "Bologna Foot", and "How Quick Ya Pin". Sara Suffriti led a group who were "Hooked On Phonics", and Becky Auld and Rosi von Hollander were like, totally awesome in "Gap Girls". Mary-Lynn Scortino played "Pat", Deanna Knodler was host to "Geek, Dweeb, or Spaz", and Andrew Ingham was a complete "Hyper-Hypo". This hilarious show ended with Dan Viens' praising of the Holy Dew.

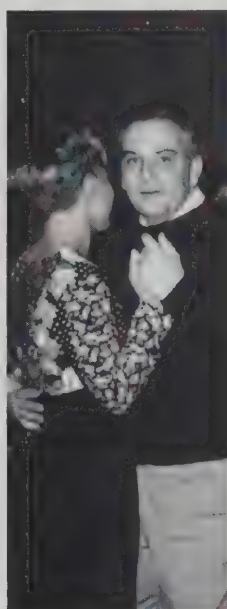

As always, the Fall Top 40 in November featured great songs and lots of fun, but for winter, a new twist was added. An "Unplugged" version, with a limited seating of a mere 400 seats per night, was introduced. The performers who kicked off the Winter Top 40 were Jeff Pavelcsyk, Julie Hendrix, Matt Bulmer, Theresa Brown, and Irene Brown singing "Hotel California". Some of this year's memorable acts were Chris Bousquet's version of "Selling the Drama", Suzanne Brown's "Sweetest Days", and Maureen Briere's "Little Lies". Keri Pirnie's performance of "Must Have Been Love" and Tony Newman's "Plush" were fantastic. Aurelia Andreoli's "Zombie", John Higgins' "You Don't Know How It Feels" and the "Kid Fears" trio, Steve Sands, Julie Hendrix, and Shannon Gilmartin also brought down the house. And to close-out Top 40 1995, Jeff Pavelcsyk sang his rendition of "Margaritaville".

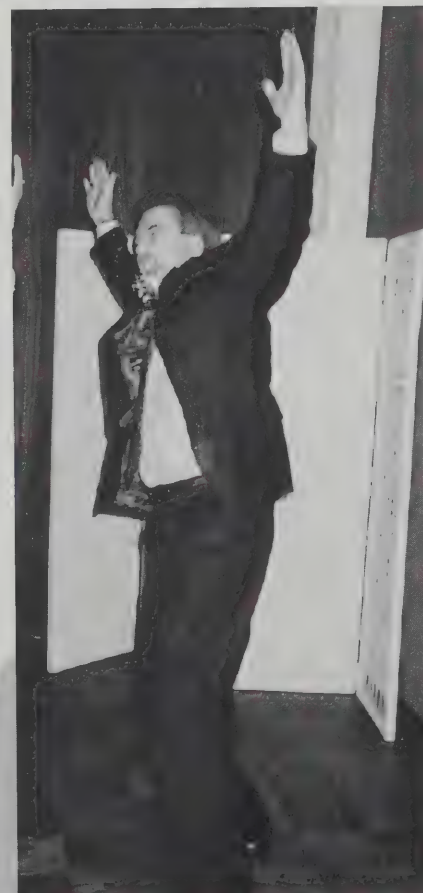

What were you doing on the night of December 29, 1994? Probably enjoying the atmosphere of yet another memorable Senior Semi-Formal. This year's Semi-Formal was held at the Colosseum in West Springfield during Christmas Vacation. The night began with a social hour from 6:30 to 7:30 where we got a chance to catch up with our friends while enjoying hors d'oeuvres and drinks. At 7:30, dinner with your choice of chicken or prime rib and vegetables was served. After a delicious dinner and dessert, everyone took to the dance floor. Matt Forastiere, Dan Viens, Dan Vargas, and Jeff Pavelcsyk led the "YMCA" while wearing Indian feathers, wigs and other outrageous hats. Another highlight of the event was the huge conga lines. 11:00 marked the end of an evening that was certainly enjoyed by all.

Months of preparation all came together on the night of April 20, 1994 for the Junior/Senior Prom. The theme this year, chosen by the prom committee, was "Winds of Change" and the prom colors were black and red. The excitement mounted as everyone waited in elegant gowns and tuxedos to enter the ballroom. The night began with a dinner consisting of a choice of boneless breast of chicken supreme, baked stuffed jumbo shrimp or broiled filet mignon all served with baked stuffed potato and broccoli with cheddar cheese. After dinner, the DJ began the dancing with the theme song, "Winds of Change" by the Scorpions. Chris Benjamin led the "YMCA". The conga lines and the "Electric Slide" were also very popular. But the highlight of the evening was the dance contest, as John O'Brien and Matt Felix beat out all other competitors. Bill Cavanaugh and Laurie Bresnahan were chosen as the Prom King and Queen. The evening ended as midnight came and everyone left Chez Josef with many lasting memories.

Volleyball Tournament

For the fourth year in a row, AHS held its annual volleyball tournament. The competition actually began in the gym classes as teams were chosen and pitted against one another. The top team from each class, along with four wild-card teams, moved on to the playoffs. Those teams who were successful through the preliminaries and quarterfinals progressed to the semifinals. Finally, there remained two finalists, the Continents and Height.

The finals took place on February 3 and each brought friends and fans carrying signs and leading cheers. The games were close, but the Continents emerged the winner.

Harlem Wizards

Thanks to the hard work initiated by the Parent-Teacher-Student Organization, Agawam students were treated to a spectacular event — the arrival of the Harlem Wizards.

The Wizards are a traveling basketball team who compete against hometown players. The Agawam team consisted of students, PTSO members, school committee members, and even mayor Chris Johnson. Although the Agawam team played hard, the New York-based wizards stole the show. Their skills and antics entertained the crowd that had gathered in the AHS gym. The game was thoroughly enjoyable and we all hope that the Wizards return for a rematch.

AGAWAM HIGH SCHOOL

MR. BATES AND

Mr. Cavallo (l.) and Mr. Bates (r.)

As we welcome summer and bid farewell to yet another school year, we have to say good-bye to our administrator, confidant, and friend, Mr. Bates. In 1957, Mr. Bates began a career in education that would span nearly four decades. He began by teaching science at the Junior High School and then progressed to serve twenty-three years as Assistant Principal here at Agawam High School in 1972.

Agawam High School thanks Mr. Bates for all the compassion and dedication that he has shown us through the years.

All of AHS would like to bid a fond farewell to Mr. Bates and wish him the best of luck in the future. You will be missed . . .

"He made our time a lot easier and worthwhile; His humor made all of us enjoy our jobs more."

SAYS GOOD-BYE TO MS. HIRSCHHAUT

Ms. Hirschhaut at her retirement party.

Ms. Hirschhaut's always friendly smile.

As we say good-bye to Mr. Bates, we must also bid farewell to our physical education instructor Ms. Hirschhaut. Ms. Hirschhaut has taught at Agawam High School for years and has been dedicated to making physical education an enjoyable period for everyone. Her dedication and friendly personality have always created a positive atmosphere for her students. Although Ms. Hirschhaut has retired, she can still be found on occasion in the gym as she remains a substitute teacher.

Agawam High School would like to thank Ms. Hirschhaut for all the fun that she has brought to her physical education classes. Everyone wishes you the best of luck in the future.

Eric Binder

Eric, Congratulations. Best of Luck in everything you do.
We are very proud of you.
Love, Mom, Dad and Dain

Rebecca Auld

Becky,
It's time for you to graduate,
And so we wish to congratulate.
You've grown up before us
In the blink of an eye.
From nineteen-inch baby
To "almost" as tall as we,
It's knowledge that lets you
Be anything you want to be.
On future paths that you will choose,
Always know that we'll be here,
To stand by you.
Love,
Mom & Dad
